Welcome

We're delighted to present the Azamazing Sailings by Cruise Connection brochure - an exclusive collection of carefully curated sailings with Azamara Cruises, the global leader in small-ship destination immersion.

Azamara's intimate, elegantly appointed ships sail where larger vessels can't, docking closer to the heart of each destination. With Extended Destination Days, late nights and overnight stays, you'll have more time to explore and truly connect with local life - relaxed, unrushed and authentic.

Each itinerary in this brochure has been chosen for its unique charm, seasonal appeal, and value. As your comfort is our top priority, every sailing in this brochure includes complimentary beverages and gratuities so you can simply relax and savor the journey.

For complete peace of mind, all prices featured are guaranteed and valid up to four months prior to departure.

Welcome to Azamazing Sailings - where your destination is only the beginning of the journey.
