It captures the region's vivid and varied palette of colours, from the soft pastels of clifftop towns to the warm hues of lavender fields and the sun-kissed glow of lemon trees.

With very warm wishes,

The Team at Fred. Olsen Cruise Lines

175 YEARS IN EVERY SINGLE DAY

It's your time now. It's time to satisfy your wanderlust and eagerness to experience the wonder of our world. Time to 'throw off the bowlines, sail away from the safe harbour, catch the trade winds in your sails and explore, dream, discover'.

175 years ago, three brothers in a small town on the shores of Oslofjord in Norway also wrestled with a spirit of adventure. It led the Olsen family to buy their first ships and set about discovering the world.

Today, we are proud of how far we have sailed.

But our pride is not just in the extraordinary places in every corner of the globe we take our thousands of treasured guests. It's in how we take them there too.

We have always been committed to what our guests like to call 'cruising as it should be'. From the moment you throw open your cabin curtains to a beautiful sunrise or emerge on deck to another stunning vista, everything is geared to make your day exceptional.

Our accent is on elegance, a sense of occasion, excitement, sociability, warmth and conviviality. Our people take great pride in their personal, attentive service where, for our guests, nothing is ever too much.

Our ships are big enough to ensure a great variety of rewarding on-board experiences, but small enough that your cruise with us always feels friendly and personal. And our itineraries are designed afresh every year to make sure that you don't just see the world's most amazing destinations, but you see them at the very best possible times.

In Norway, we have a saying, 'I det beste selskap'. It means 'In the best of company'. It's how we want you to feel from the moment you embark on a Fred. Olsen cruise. That you're welcome, valued and looked after. But as well as travelling in the best of company, we want you to know that you're also travelling with the best of companies.

Because on a Fred. Olsen cruise, 175 years of experience goes into making every single day special.

SPECIALLY HAND-CRAFTED ITINERARIES

Our way of planning and developing itineraries is rather different from that of other cruise lines and it begins years before the cruises set sail.

Much like our guests, we are keen explorers of the world. We know that for every destination you tick off your wish list, another beckons.

With this in mind, our expert Journey Planners continually take a fresh look at the world, researching all the destinations and waterways our guests are yet to discover with us, and delving into the exciting cultural events and natural phenomena that lie ahead.

This attentive process, combined with our smaller ships – which enable us to reach some parts of the world some other lines can't – means we can hand-craft a programme that's filled with unmissable sailings, perfect for new guests and returning guests alike.

Explore northern Norway at the perfect time to spot the elusive Northern Lights, celebrate New Year in Funchal, perhaps enjoying the impressive fireworks display from on deck, or witness iconic events such as the Rio Carnival.

Our Journey Planners dedicate significant time and consideration for 'scenic cruising', seeking out the most captivating coastlines and beautiful sites. Whether it's visiting extraordinary islands, navigating epic waterways, or embracing the splendour of coastal scenery, we strive to provide an unparalleled experience.

In our homeland of Norway, we take immense pleasure in showcasing the intricate beauty of the fjords. Drawing upon our deep understanding of the country's history and coastline, we can deliver a fjord experience that's better informed and more imaginative than most.

On the next page, we've highlighted what we consider to be the most exciting and special itinerary features awaiting you in 2025 and 2026.

ITINERARY HIGHLIGHTS

FOR 2025/2026

Cinque Terre, Italy

ENJOY SHORTER EXPLORATIONS OF THE MEDITERRANEAN

We know our Mediterranean voyages are popular amongst our guests, so we're excited to introduce a brand-new selection of seven- to 12-night sailings designed for a shorter yet equally rewarding experience, visiting alluring destinations like the charming cliff-top towns of Cinque Terre and Amalfi and the enchanting Greek Islands. By flying to and from your start and end points, your time at sea is minimised, granting more moments for immersive exploration.

WITNESS THE VIBRANT COLOURS OF THE FRENCH RIVIERA

The Côte d'Azur is inherently rich in beauty, but our cruise to this scenic stretch of coastline in June 2025 takes you to a new level of enchantment by aligning with the blooming season of the region's lavender and sunflower fields. We've planned this sailing so that you can embrace the laid-back Provençal lifestyle and treat your senses with a vibrant tapestry of floral displays, coastal houses and azure waters.

EXPLORE SOUTH AMERICA & ANTARCTICA

Balmoral's voyage to Antarctica in 2023 was so well received by our guests, that we've included another opportunity to enjoy this incredible part of the world. In addition to the unparalleled scenery, we've timed this itinerary for the iconic Rio Carnival*, offering you the chance to witness vibrant parades, samba music, flamboyant costumes, and its contagious energy.

Elephant Island, Antarctica

DISCOVER SCENIC NORWEGIAN ARCHIPELAGOS

In June 2025, *Balmoral* will set sail for a summer exploration of northern Norway, taking in the picturesque archipelagos of Lofoten and Vesterålen, home to rugged mountains and crystal-clear waters. We've timed this journey perfectly to give you opportunities to witness the Midnight Sun and marine life such as whales.

TAKE A MELODIC JOURNEY TO FALMOUTH'S SEA SHANTY FESTIVAL

As maritime runs deep in our DNA, we are incredibly passionate about anything related to the sea. That's why we've been inspired to handcraft a brand-new sailing around the British Isles, taking in the Cornish port of Falmouth when its Sea Shanty Festival is in full swing. Europe's largest free nautical music event celebrates maritime history with global performances, pop-up bars, music stages, and international shanty groups.

Our fleet of **BEAUTIFUL SMALLER SHIPS**

Over recent years, there has been a trend in the cruising industry for ships to get bigger. But at Fred. Olsen, we are firm believers that smaller is better.

As a family-run business since 1848, we take immense pride in championing the intimate charm of smaller ships. Embracing this philosophy, we've meticulously designed and executed every aspect of our three smaller ships, ensuring a seamless blend of elegance and attention to detail.

Life on board our ships is renowned for exuding warmth, friendliness and care. We steer clear of resort-style cruising, avoid cutting corners, and don't ever want things to feel mass-produced.

Having a rich maritime history and heritage, we adhere to the nautical language, referring to port and starboard, forward and aft, and embracing the traditional terms of cabins and decks.

Each of our three ships has lots of wide-open deck spaces, an array of incredibly comfortable bars and lounges, beautiful restaurants, theatres, libraries, and a wonderful art collection personally curated by Fred. Olsen, reflecting his deep passion for art.

BOLETTE

Bolette proudly bears the name of Fred. Olsen's Great Grandmother. With her spacious, comfortable public areas and just 690 cabins, our flagship leads our fleet of smaller ships by example.

Bolette provides our guests with plenty of space to relax within the bars, lounges, theatres and wide-open deck spaces. The pool, with its retractable roof, provides the perfect place to enjoy a swim all year round, wherever you're cruising.

Her crest, shown at the top of this page, was inspired by the harbour-side buildings in Hvitsten in Norway where the Olsen family had an early trading house on the picturesque Oslofjord.

BALMORAL

Balmoral is the smallest ship in our fleet and is well-loved by all our team and long-standing guests. She has wonderful facilities including wide-open decks, which are perfect for scenic cruising.

Her smaller size is a huge asset when it comes to hand-crafting itineraries that go off the beaten track and into less visited ports and waterways. Balmoral journeys along rivers and right into the heart of cities such as Bordeaux, or transits through spectacular waterways like the Kiel Canal.

Balmoral's crest, shown at the top of this page, proudly replicates the British royal family's Scottish residence, Balmoral Castle, with a nod to Fred. Olsen's historic links with Scotland.

LIFE ON BOARD A FRED. OLSEN SHIP

We believe that a cruise is very different from a holiday. A cruise is about being out there on the ocean, exploring the world from the vantage point of the sea, enjoying the journey itself – not just the destinations.

On board every cruise, and alongside all the lovely food, drink, entertainment and activities you'd expect, you can enjoy some of our hand-crafted Signature Experiences which help you get the most from your destinations.

SCENIC DISCOVERIES

While other cruise lines often opt for the quickest and most direct routes, we take pride in embracing the most captivating journey possible. Days at sea are made all the more extraordinary with our Scenic Discoveries. Our Captains, driven by a passion for exploration, delight in deviating from the ordinary, guiding you along picturesque waterways, revealing enchanting islands, and pausing in front of geological wonders – all enhanced by specialist commentary. This intentional approach allows you to fully immerse yourself in the beauty of the area you're visiting, allowing you to take in the scenery from the unique perspective of the sea.

Spot wildlife with ORCA and Ocean Wildlife Encounters

As part of our Itinerary Insights, on certain sailings, we support nature specialists ORCA and Ocean Wildlife Encounters. They come on board to keep track of the world's ocean wildlife. You will find them out on deck where they will help you identify different types of dolphins, whales and other marine life that you may encounter on your journey.

ITINERARY INSIGHTS

Enthusiastic guest speakers and locals from the places you're visiting will often be on hand to help you delve further into your destinations, offering talks, workshops and demonstrations. Each has been specially chosen for their ability to give our like-minded travellers a deeper understanding of the culture and nature.

TREATS OF THE REGION

Our Treats of the Region programme is designed to immerse our guests in culture through food. Delicious regional dishes are served in our restaurants, offering opportunities to sample dishes that guests might not have tried before. Additionally, our skilled chefs – inspired by the destinations we explore – host engaging cookery demonstrations, unveiling the secrets behind crafting the authentic local flavours.

THE SKY AT SEA

There is nothing quite like a sunrise at sea or looking up at the beauty of the night sky from the deck of a ship. We also host stargazing experiences where you can sit back on the open deck, snuggled in a blanket with a hot chocolate or toddy, and listen as we bring the night sky to life. On certain itineraries, we sail to seek out the Northern Lights or witness the beauty of the Midnight Sun, too.

THE SHIP & THE SEA

The Olsen family's history in shipping goes back to 1848, so we like to say that maritime is truly in our DNA. Join us for 'an audience with' the Captain or the Show Team, take part in discussion sessions about navigation and chart reading or (for an extra charge) take a behind-the-scenes tour to see the fascinating workings of the ship.

TREATS AND PASTIMES

As well as our special Signature Experiences, there is a host of other treats to enjoy on board our ships.

THE ATLANTIS SPA

There's nothing more relaxing than indulging in the serenity of our spas. With floor-to-ceiling windows framing views of the ocean, there's a tranquil ambience that sets the stage for unwinding. So sit back and watch the world go by as our team of specialist beauty therapists and hairdressers pamper you with your choice of treatment.

FITNESS CENTRE

Our dedicated team of professionals takes pride in presenting a comprehensive fitness programme. From invigorating sunrise yoga sessions on deck to small group workouts, we offer a diverse range of activities to suit every preference. And our Fitness Centres, with their incredible panoramic views, are the perfect setting for your workout experience.

THEATRE

Each ship has its own Theatre Company who proudly present live musical shows for our guests. They are joined by visiting professional artists, comedians, performers or illusionists to provide a really varied programme to keep you entertained through every day of your cruise.

THE OLSEN ART STUDIO

We have designated studio spaces exclusively devoted to arts and crafts, designed to ignite your inner creativity. These areas are fully equipped with easels and art materials, and are the perfect spot for you to take part in painting and drawing classes, as well as discover new crafts like block printing.

MUSIC & DANCE

Music is an integral part of life on board. Whether you find yourself in the Morning Light Pub listening to our live guitarist, stepping into the world of dance during our engaging classes, or indulging in a Martini complemented by the sounds of our experienced string quartet, there's a melodic treat for everyone.

FUN & GAMES, QUIZZES & PUZZLES

Our Entertainment Team run a wonderful programme of activities throughout your cruise. Every day, they host traditional deck games like quoits, deck tennis and shuffleboard, lay-on fantastic quizzes and introduce light-hearted sociable classes. We have a dedicated card room for Bridge tournaments, and spaces to learn something new like joining a choir or even learn to play the ukulele.

BEAUTIFUL SPACES TO RELAX

One of the real pleasures of sailing on one of our ships is the warm and welcoming atmosphere and the restful, easy elegance of the spaces on board.

We take particular care over our beautifully decorated sitting rooms, the comfortable and cosy bars and libraries and, for when the weather is good, wide open decks and outdoor spaces to feel the air and take in the view.

THE ORIENTAL TEA ROOM

One of the prettiest and most peaceful places aboard our ships, The Oriental Tea Room offers the chance to taste rare teas during one of our tea-tasting experiences, hosted by specialist tea sommeliers. Decorated in beautiful soft colours and silks, our tea room is civilised and easy, the perfect place to read a book, or to watch the world go by.

THE EARTH ROOM

With the same love of nature that's shared by our guests, Fred. Olsen has introduced this unique library and lounge space on board, designed to be the perfect spot to find out more about the world we live in. Here, you will find a collection of books – by eminent writers – chosen personally by Fred. Olsen, along with podcasts and videos to watch on the iPads provided. These resources, and occasional guest speakers, are particularly focused on sharing ways that we can all make small changes in our lives to positively impact climate change.

THE OBSERVATORY

One of the real joys of cruising is the feeling of being out at sea and looking out at the ocean and to the horizon beyond. So higher up on our ships, you'll find The Observatory – a luxurious lounge, lined with panoramic windows and located directly above The Bridge, so you will have the same vantage point as our Captain and Officers while we are sailing. Here our guests come to enjoy the views of the expansive ocean or coastline that we're passing, or simply sit back with the cocktail of the day.

THE BOTANICAL ROOM

The Botanical Room, located on *Bolette* and *Borealis*, is a beautiful and comfortable lounge that has been designed to inspire our green-fingered guests in the elegant surroundings of lush greens and vibrant yellows. Here you'll find magazines and books on the topics of gardening, flowers, plant care and the various flora species across our planet. The gorgeous plants and fresh flowers in the room bring a feeling of the outside, inside.

DELICIOUS DINING THE OLSEN WAY

We have a dedicated and specialised on-board team committed to crafting delicious meals, beverages, and treats for our guests.

Each day, they create freshly baked bread, mouth-watering dishes, delightful cocktails, aperitifs and after-dinner drinks, as well as exquisite pastries and cakes. And every cup of coffee or tea from our Bookmark Café is served with a freshly made shortbread biscuit or delicate macaron.

OUR ELEGANT MAIN RESTAURANT

Each of our ships has two or three beautifully appointed main restaurants, where we serve delicious breakfasts and sumptuous five-course à la carte dinners. The daytime dress code across all restaurants is casual, while the evenings are usually smart-casual, with the exception of Formal Nights, where guests enjoy dressing up in cocktail dresses and black tie.

CASUAL DINING

For those seeking a more laid-back experience, each ship has a fantastic casual dining restaurant (The View on *Bolette* and *Borealis* and Palms Café on *Balmoral*). These restaurants, which are open for breakfast, lunch, and dinner, offer a feast of delicious dishes daily. Additionally, they provide a tasty and complimentary afternoon tea with sandwiches, scones and cakes – all freshly baked on board.

COLOURS & TASTES

Colours and Tastes is our elegant restaurant specialising in Asian Fusion cuisine. The food is fresh and fascinating, with menus featuring dim sum, seafood, delicately spiced meats, stir-fries and colourful signature dishes from China, Japan, Thailand and the Philippines.

VASCO

Vasco is our speciality Goan restaurant serving a delicious take on Indian cuisine. Named after the Portuguese explorer Vasco de Gama – the first European to reach India by sea – the menu is meticulously designed by our chefs from Goa. Vasco seamlessly blends the warmth and spices of India with European influences, particularly Portuguese. The result is an exquisite style of Indian food centred on delicious grilled meat and seafood with fresh, bright, modern spices.

ELEGANTLY DESIGNED CABINS

A CHOICE OF CABINS

We have a wide selection of accommodation available, ranging from Interior and Outside cabins to Suites. Regardless of your choice, each is beautifully designed with elegance, simplicity and attention to detail, featuring wonderfully comfortable beds and superior-quality linen.

Our dedicated Housekeeping Team ensures that every detail is meticulously attended to. As you return to your cabin each evening after a day of exploring, you'll be greeted by the comforting touch of turn-down service and a copy of the *Daily Times*, allowing you to plan for the exciting day that lies ahead.

Along with the excellent selection of cabins that you'll find across our fleet, guests on *Balmoral* can opt for one of our newly refurbished Ocean View cabins.

You'll have priority check-in when you come on board, and a bottle of bubbly plus a basket of fresh fruit to greet you on arrival in your Suite. The exact number, including details of any theme nights, will be advised on your cruise ticket. On these occasions, guests wear black tie or a suit, cocktail dresses or smart evening wear.

All our ships have an additional restaurant for more casual dining, where the dress code is more relaxed. We like our evenings to be special and so trainers, t-shirts, shorts and tracksuits are not allowed in the restaurants at this time.

DINING OPTIONS

Breakfast is usually served in the main and buffet restaurants between 07:30 and 10:30. Lunch is served between 12:00 and 14:00 in the same venues, followed by afternoon tea in the buffet service restaurant between 15:45 and 16:45. In addition, dining at The Poolside is available throughout the day between 10:00 and 19:00.

We have two set dining times in our main restaurants, 18:15 and 20:30. If you choose a Freedom Fare, you can select your preferred dining time and size of table when you make your booking (subject to availability). Guests who choose a Saver Fare can select their dining time and size of table for a nominal supplement in advance of cruising, or once on board (subject to availability). You will be allocated a table in the main restaurant for the duration of your cruise and the details will be in your cabin when you arrive.

Each evening, informal open seating is offered in our casual dining restaurants, The View on *Bolette* and *Borealis* and The Palms Café on *Balmoral*. Each ship offers two, additional, speciality dining options, Colours and Tastes, and Vasco. A small cover charge applies to our speciality restaurants.

WIFI

WiFi is available throughout all of our ships. Simply connect to the ship's WiFi signal, register for the WiFi Portal and choose your desired internet package. This will then be charged directly to your on-board account. For more information, visit our website, or contact Guest Services once on board.

Please be aware that WiFi is subject to service operation and is operated over a satellite connection – this can at times result in speeds much slower than you might experience at home.

TIPPING

To make rewarding our crew on board as straightforward as possible, gratuities (applicable to everyone in your party who is aged 12 or over) will be added to your on-board account. The amount (see our website for suggested amount) is not compulsory and can easily be altered by visiting Guest Services on board.

You are welcome to tip personally if you prefer. We are also pleased to offer the option of pre-paying your gratuities before your cruise. Please ask at the time of booking. Unlike some other companies, we can promise that every last penny is shared between the crew who look after you.

DIETARY REQUIREMENTS

We will do our best to accommodate most dietary requests on board each of our ships.

For anyone with food allergies or intolerances, you will have the opportunity at the beginning of your cruise to meet with the Maitre d' or Executive Chef to discuss any additional requirements you might have.

We kindly request that you make us aware of any special dietary requests at the time of booking.

SMOKING POLICY

To ensure the comfort of our guests, all cabins, suites and balconies will be designated as non-smoking areas. You will find dedicated smoking areas on each of our ships, handily signposted. This will be in effect for all sailings from April 2025 and apply for all smoking devices.

TRAVEL INSURANCE & VISAS

Having appropriate cruise insurance cover is a requirement for booking your holiday with us. Knowing you have comprehensive cover means you can relax and concentrate on planning the rest of your holiday. To help, we've provided three top tips for organising your cover.

Tip one:

ENSURE YOU HAVE THE RIGHT COVER

To avoid any pitfalls it's best to ensure your cover is specific to cruise holidays. Also, declaring all pre-existing medical conditions to your insurer will reduce your potential for financial consequences.

Tip two:

AVOID POTENTIAL LOOPHOLES

It is tempting to save money and opt for the cheapest holiday insurance. However, many policies have loopholes that will not provide cover for the exact circumstance in the claim. Be sure to investigate what's covered in your policy.

Tip three:

PURCHASE YOUR COVER EARLY

We advise you to get insurance organised for your forthcoming cruise as soon as you have booked. This will give you peace of mind that you are covered and protect your non-refundable deposit.

At time of going to print, it is a mandatory requirement for all guests to have comprehensive travel insurance that covers for Covid-19 related costs. In addition, the policy must include cover after departure to ensure that you are fully covered if you have to disembark the vessel at a port of call for medical treatment, isolation and travel back to your home (Covid Medical & Repatriation Cover).

Our recommended supplier:

HOLIDAY EXTRAS

A cruise is a holiday unlike any other, and as such, it pays to be covered for all of its unique aspects. We have found that – from many years of working together – Holiday Extras provide excellent insurance cover for Fred. Olsen guests, with insurance policies that have specifically tailored cruise benefits.

For a quote, or to buy a policy, please give Holiday Extras' dedicated insurance specialists a call on **0800 0420 218**, quoting FOBR1, or visit holidayextras.co.uk/fred

VISAS

Visa and health requirements can change at any time. It is your responsibility to ensure that you check with a professionally qualified source and comply with such requirements. UK passport holders will need visas for certain Fred. Olsen cruise holidays and will be advised at the time of booking. Your cruise booking information will also detail any requirements applicable to your holiday.

CIBT, Fred. Olsen's preferred visa provider, offer advice on specific visa requirements for your cruise holiday. For your convenience, CIBT's online portal provides detailed visa information for specific cruises and visa application packs.

Visit cibtvisas.co.uk/fredolsencruises or call **0207 593 6223** and quote 'Fred. Olsen Cruise Lines', ref 'FREDOLS'.

Similarly, travel vaccinations can be required when visiting some parts of the world. Your GP can offer advice, or you can contact the Medical Advisory Services for Travellers Abroad (MASTA). General travel advice is available from the UK Government at: gov.uk/foreign-travel-advice

IT'S EASY TO BOOK WITH FRED. OLSEN

Once you have chosen your cruise, you only need to take a few steps before you can begin looking forward to your holiday.

1 We need just a few details to confirm your booking

Your full name as it appears on your passport; date of birth; home address; e-mail address and contact telephone number are all details we will need when you book. Please also have this information for any guests travelling with you.

2 Don't forget your cruise insurance and to check if visas are needed

Please ensure you have appropriate cruise insurance cover; it's a mandatory requirement for sailing with us. Visas may be required for your chosen region. We've provided some helpful information for this on the opposite page.

3 Non-refundable deposit

Cruises are secured by a non-refundable deposit (or non-refundable full payment if booking a last-minute Saver Fare). The deposit is typically set at 15% of the cruise cost (this varies when booking close to your departure date, and when booking cruises more than 27 nights in duration).

4 We will send confirmation straight away

There's a little more information we will require before you travel, such as your insurance, emergency contact details and passport details, and naturally final payment is needed ahead of your cruise. We will send details of this with your confirmation invoice as soon as you make your booking.
